

Weld Re-5J School District
2020-24 Capital Construction Program
110 Centennial Drive, Unit A
Milliken, CO 80543

ADDENDUM #1

DATE: December 14, 2020

TO: Weld Re-5J School District, Professional Fixtures, Furnishings, and Equipment Services
RLH Engineering Project Number 20080

FROM: Owner's Representative: RLH Engineering, Inc.
601 Gyrfalcon Court
Windsor, CO 80550, 970-686-5695

SUBJECT: Addendum Number One

The following information is Addendum Number Two and shall be binding on the Bidder as if included in the original RFQ/P for the Project. This Addendum shall be acknowledged in the Bidders Proposal.

1. Our design department uses Autodesk Revit, will this be an excepted format?
 - A. Autodesk Revit is acceptable to use.

2. Would it be acceptable if our references are not in Colorado?
 - A. Colorado references are preferred, however we will accept out of state references.

3. In the Evaluation Criteria you have 5 points assigned to Delivery and Install Fee, although there is not a section in the RFP that requests this information. What are your expectations regarding presentation of the Delivery and Install Fee?

- A. This RFQ is qualifications based. Delivery and Install Fee will not be included in evaluations. Those 5 points will be transferred to the Key Personnel Experience section. The new Evaluation Criteria is below:

Quality of Submittal	20 Points
Approach to Project	30 Points
Work Experience/References	25 Points
Key Personnel Experience	25 Points
Insurance Certification	<u>Prerequisite</u>
Total	100 Points

4. The contractor draft agreement is attached.

5. Regarding "III. C. Ensure competitive bidding, provide budget amounts – post bidding", what is your definition for competitive bidding?

- A. Revise the wording as follows:

Remove: "Ensure competitive bidding"
Add: "Ensure fair and competitive pricing"

End of Addendum Number One
