

TOGETHER WE ALL SUCCEED

RE-5J School District has actively worked with our community to align an instructional vision with the resources and facilities needed to support it.

Now is the time to fund our vision and say “YES” to a bright future!

**SUPPORT
OUR
SCHOOLS**

Since the last bond in 2003, enrollment in Weld RE-5J schools has increased by 98% and is still rising. Our infrastructure needs to be renewed and rebuilt to ensure we can continue to provide a quality education for all.

Our plan will:

- alleviate overcrowding;
- improve school safety;
- expand student pathways, including career and technical education options;
- create modern, comfortable environments which maximize learning outcomes; and
- serve and support our community.

YOUR SUPPORT MATTERS

By working hand in hand, we can ensure the continued academic success of our students, build pride in the quality of education in our community, and leave a legacy for generations to come!
