

| CDE Guidance | Weld RE-5J Plan | Change Our Plan? Stay the Same? | Notes |
|---|---|--|--|
| Health screenings=take place at home | Health screenings=take place at home | Same | |
| Temperature taken upon arrival | Random Temperature Checks at School | Change: We will now take temperatures upon arrival | We have obtained an additional 50 thermometers |
| Physical distancing applies to MS and HS and Adult Staff | Cohort Grouping Required | Change: We need to make sure our cohort groups in MS/HS have no more than 100 students | Need teacher input and planning with admin |
| Spacing: 6 foot preferred, 3 foot acceptable | Social Distancing as Available | Change: We will check our facilities to see if we can do a 3' spacing | Modulars may be a concern. May need to move smaller classes to modulars at elementary levels. |
| Greatest emphasis on spacing for adult staff and older children | Social Distancing as Available | Change: Reconsider MS/HS cohorts and spacing based on new guidance. | Need teacher input and planning with admin |
| Class size and cohort varies by phase and age | All cohorts dependent on online learning option | Change: Reconsider MS/HS cohorts and spacing based on new guidance. | Need teacher input and planning with admin |
| Use physical barriers and directional arrows | Use physical barriers and directional arrows | Same | |
| Use separate entrances | Use separate entrances | Same | Now we can screen with temperature checks upon arrival if using separate entrances. Need teacher input and planning with admin |
| Staggered arrival, departure, meal, and recess | Staggered arrival, departure, meal, and recess. | Same | 1 student per row. |

| | | | |
|--|--|--|---|
| Maximizing ventilation | Maximizing ventilation | Same | CDE stated, though, that fans in the classroom spread the virus throughout the rooms. Teachers who have an interior classroom will work with maintenance staff for solutions. |
| Require masks for all staff | Require masks for all staff | Same | |
| Temporary face shields for specific learning | Temporary face shields for specific learning | Same | |
| Masks are required for 11 year olds and up. | Masks are required for all students (unless there is documented reason identified) | | |
| Stagger drop off and pick-up times | Stagger drop off and pick-up times | Same | |
| Masks on the bus | Masks on the bus | Same | |
| Shorter bus trips/more trips | Shorter bus trips/more trips | Same | |
| K-8 Cohort class size not limited, number of adults limited | We did not have a recommendation | Change: We will change to adhere to state guidelines | |
| HS Class size limited by total people | HS class size limited by total number of students | Change: Need teacher input with admin | |
| At-risk students=in person opportunities | At-risk students=in-person opportunities | Same | |
| Teacher rotating=if teacher floats, then all classes have to be quarantined. | We did not have a recommendation | Change: We will change to adhere to state guidelines | |

| | | | |
|--|---|---|--|
| Colorado will provide every teacher with K95 masks. 1 per week for 8-10 weeks. | Teachers should bring their own masks. | Change: We will include Colorado's guidance with our guidance. | |
| School activities/sports aligned with CHSAA | School activities/sports aligned with CHSAA | Same | |
| Cohort for athletics is different from classroom | We did not have a recommendation | Change: If a positive COVID case emerges, any cohort that the student/staff are in will need to be quarantined. | |
