Nondiscrimination/Equal Opportunity

The Board is committed to providing a safe learning and work environment where all members of the school community are treated with dignity and respect. The schools in the district are subject to all federal and state laws and constitutional provisions prohibiting discrimination on the basis of disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry or need for special education services. Accordingly, no otherwise qualified student, employee, applicant for employment or member of the public may be excluded from participation in, be denied the benefits of, or be subjected to unlawful discrimination under any district program or activity on the basis of disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry or need for special education services. Discrimination against employees and applicants for employment based on age, genetic information and conditions related to pregnancy or childbirth is also prohibited in accordance with state and/or federal law.

For purposes of this policy, these terms have the following meanings:

- “Race” includes hair texture, hair type, or a protective hairstyle that is commonly or historically associated with race.
- “Protective Hairstyle” includes such hairstyles as braids, locs, twists, tight coils or curls, cornrows, bantu knots, afros, and head wraps.
- “Sexual Orientation” means a person’s orientation toward heterosexuality, homosexuality, bisexuality, or transgender status or another person’s perception thereof.

This policy and supporting regulation(s) will be used to address all concerns regarding unlawful discrimination and harassment. Alleged conduct regarding sex-based discrimination and sexual harassment will follow the complaint and investigation procedures specific to this conduct.

In keeping with these statements, the following are objectives of this school district:

1. To promote the rights and responsibilities of all individuals as set forth in the state and federal constitutions, pertinent legislation and applicable judicial interpretations.
2. To encourage positive experiences in terms of human values for children and adults who have differing personal and family characteristics or who come from various socio-economic, racial and ethnic groups.
3. To consider carefully, in all decisions made which affect the schools, the potential benefits or adverse consequences that those decisions might have on the human relations aspects of all segments of society.
4. To utilize educational experiences to build each individual's pride in the community in which they live.
5. To initiate a process of reviewing all policies and practices of this school district in order to achieve the objectives of this policy to the greatest extent.
6. To investigate and resolve promptly any complaints of unlawful discrimination and harassment.
7. To investigate and appropriately discipline staff and students found to be responsible for incidents of harassment or unlawful discrimination in

violation of Board policy.

Annual notice

The district will issue a written notice prior to the beginning of each school year that advises students, parents, employees and the general public that the educational programs, activities and employment opportunities offered by the district are offered without regard to disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry, or need for special education services. With respect to employment practices, the district will also issue written notice that it does not discriminate on the basis of age, genetic information or conditions related to pregnancy or childbirth. The announcement will also include the name, address, email address and telephone number of the person(s) designated to coordinate Title IX, Section 504 and ADA compliance activities.

The notice will be disseminated to persons with limited English language skills in the person's own language. It will also be made available to persons who are visually or hearing impaired.

The notice will appear on a continuing basis in all district media containing general information, including: teachers' guides, school publications, the district's website, recruitment materials, application forms, vacancy announcements, student handbooks, school program notices, summer program newsletters and annual letters to parents/guardians.

Harassment is prohibited

Harassment based on a person's disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry or need for special education services is a form of discrimination prohibited by state and federal law. Preventing and remedying such harassment in schools is essential to ensure a nondiscriminatory, safe environment in which students can learn, employees can work and members of the public can access and receive the benefit of district facilities and programs. All such harassment, by district employees, students and third parties, is strictly prohibited.

All district employees and students share the responsibility to ensure that harassment does not occur at any district school, on any district property, at any district or school-sanctioned activity or event, or off school property when such conduct has a nexus to the school, or any district curricular or non-curricular activity or event.

Reporting unlawful discrimination and harassment

Any student who believes they have been a target of unlawful discrimination or harassment as defined in Board policy and supporting regulations, or who has witnessed such unlawful discrimination or harassment, must immediately report it to an administrator, counselor, teacher or the district's compliance officer and file a complaint as set forth in the regulation which accompanies this policy.

Any employee, applicant for employment or member of the public who believes they have been a target of unlawful discrimination or harassment, or who has witnessed such unlawful discrimination or harassment, must file a complaint with either an

immediate supervisor or the district's compliance officer.

If the individual alleged to have engaged in prohibited conduct is the person designated as the compliance officer, an alternate compliance officer will be designated to investigate the matter in accordance with this policy's accompanying regulation.

District action

All district employees who witness unlawful discrimination or harassment must take prompt and effective action to stop it, as prescribed by the district.

The district will take appropriate action to promptly and impartially investigate allegations of unlawful discrimination and harassment, to end unlawful behavior, to prevent the recurrence of such behavior and to prevent retaliation against the individual(s) who files the complaint and/or any person who participates in the investigation. When appropriate, the district will take interim measures during the investigation to protect against further unlawful discrimination, harassment or retaliation.

To the extent possible, all reports of unlawful discrimination or harassment will be kept confidential. Students or employees who knowingly file false complaints or give false statements in an investigation may be subject to discipline, up to and including suspension/expulsion for students and termination of employment. No student, employee or member of the public may be subject to adverse treatment in retaliation for any good faith report of harassment under this policy.

Upon determining that incidents of unlawful discrimination or harassment are occurring in particular district settings or activities, the district will implement measures designed to remedy the problem in those areas or activities.

Any student or employee who engages in unlawful discrimination or harassment will be disciplined according to applicable Board policies and the district will take reasonable action to restore lost educational or employment opportunities to the target(s).

In cases involving potential criminal conduct, the district will determine whether appropriate law enforcement officials should be notified.

Notice and training

To reduce unlawful discrimination and harassment and ensure a respectful school environment, the administration is responsible for providing notice of this policy to all district schools and departments. The policy and complaint process must be prominently posted on the district's website, referenced in student and employee handbooks and made otherwise available to all students, staff and members of the public through electronic or hard-copy distribution. Training materials regarding sex-based discrimination and sexual harassment are available to the public on the district's website.

Students and district employees will receive periodic training related to recognizing and preventing unlawful discrimination and harassment. District employees must receive additional training related to handling reports of unlawful discrimination and harassment. The training will include, but not be limited to:
