Kindergarten Transition

Attendance

Showing up for school has a huge impact on a student's academic success starting in kindergarten and continuing through high school. Even as children grow older and more independent, families play a key role in making sure students get to school safely every day and understand why attendance is so important for success in school and in life.

Your child is less likely to succeed if he or she is chronically absent, which means 10 percent of the school year or approximately 18 days over the course of an entire school year. Research shows:

- Children chronically absent in kindergarten and first grade are much less likely to read at grade level by the end of third grade.
- By sixth grade, chronic absence is a proven early warning sign for students at risk for dropping out of school.
- By ninth grade, good attendance can predict graduation rates even better than eighth grade test scores.

Absences add up quickly! A student can become chronically absent if they miss just one or two days a month!

The opportunity for all of our kids to benefit from their education starts by the adults in their life ensuring that they are attending school regularly. We commit to partnering with you. Together we can help your child reach their full potential. Please read our full attendance policy on the following pages.

School Hours

School begins at 8:30 a.m. and dismisses at 3:30 p.m. Breakfast begins at 8:15 am. **Outside supervision is not provided at our elementary school until 8:20 a.m.** Students are

considered tardy if they arrive after 8:30 a.m. Students are to go directly home after school unless they ride a bus.

Absences and Tardies

Please call the school office (970) 587 -6150 before 9:00 a.m. on any day your child will be absent or late and state the reason. Your call will ease our concern and eliminate the need to call you. (A secretary will call to verify the absence of any student whose parent has not already contacted the school.) Students are required by state law to attend school unless they are ill, there is a family emergency, or there has been a prearranged absence. The student should bring a parent note giving the reason for the child's absence when he/she returns to school after an absence where the parent was unable to call the school.

Any student who shows a pattern of excessive absences and/or tardies may be referred to the Social Worker or School Resource Officer for truancy. After a number of absences, the child's teacher will contact you to alert you to the fact that your child's absences are having a negative effect on his/her learning. After 10 absences, you will receive a letter from the office. At this time, you will be asked to provide a note from the doctor each time your child needs to miss school. You may also be contacted by our Social Worker or School Resource Officer at this time. We would like to avoid having to work through these steps, so please make certain your child has good attendance at school. Please make every effort to get your child to school on time.

If you know your child will be out of school for several days due to illness or a prearranged absence, please contact the school and your child's teachers so that assignments can be prepared.

Unexcused Absences

Student absences that have not been excused by a parent call or note are considered unexcused. Both excused, and unexcused absences and tardies will be considered in determining a child's attendance rate.

MakeUp Work

Students are required to make up work missed due to an absence or tardy. Teachers will determine a reasonable amount of time for completing make-up work. Students may not receive credit for any work that is completed after this time.

LongTerm Absences and Assignments

If you know that your son/daughter will be out of school for several days, please contact the school 48 hours in advance to arrange for work to be prepared.

Leaving School During the School Day

Students must be signed out from the office during the school day. Anyone who is picking up a child during the school day must first come to the office and sign the student out. The student will then be called to the office. When picking up your child for an appointment, please plan to bring a note from your provider upon return. **In no case will a student be allowed to leave with anyone but a custodial parent or guardian unless the office has been notified by the legal parent or guardian. Students may not leave school grounds during the day without permission from the office.**

Admission to School After School Hours

Students will not be admitted back into the school after school hours unless it is absolutely necessary. It is the student's responsibility to take all school work and personal items with them when they leave at the end of the day.

School and District Closure Information

School Closure Information

Weld RE-5J School closure information can be found in the following places:

Channel 2, Channel 4, Channel 7, Channel 9

Weld RE-5J District Website: <http://www.weldre5j.org>

School District Closure

How the decision is made:

One of the primary goals of the Weld Region School District is to protect the safety and well-being of every student. When severe weather conditions develop, a decision to close school will only be made after carefully considering a number of factors including information from area weather reports, the county roads department, and the Colorado Highway Patrol.

When weather conditions make traveling hazardous, schools may not open as scheduled or may close early. The decision to close the school will be made as early as possible, preferably by 6:00 a.m. by the superintendent in consultation with the director of transportation. Television stations will be notified immediately after the decision is made so that students, parents, and staff are promptly informed. Parents will also receive an automated phone message notifying them of a school closure.

When maintaining the regular schedule might result in large numbers of students being unable to return home safely, or the school buildings have lost power, the school may be dismissed early. Every effort will be made to follow the regular end-of-the-day dismissal schedule since changing that schedule can cause confusion for parents and students.

Bus transportation is an important factor in determining whether the school should be closed or an early dismissal to be ordered. Bus drivers are trained to watch that children can enter their residences. If the house is locked, the child is to return to the bus and continue on the route back to the bus barn. Of equal concern in making an early closing decision are the students who reside in town. If dismissed from school, they may have several blocks to walk in severe weather and then arrive at their home that could be locked. Without supervision, they may not know what to do and be stranded outside.

Parents can help:

Parents are ultimately responsible for their children and should decide for their own families whether their children should attend during inclement weather or be picked up from school before the regular dismissal time. We encourage parents to decide what is best for their family when the weather is severe. Students who leave school early are as always, to sign out through their building's office after the secretary has spoken to a parent. Parents picking up children are to come to the office, wait for their children, and

escort them from the school. This provides assurance that the early departure is authorized and that the child will be as safe as possible. Parents who choose to keep their children at home due to inclement school are asked to call the school office, so the staff knows that the child is where they belong and are safe. The procedures also help the school secretaries crosscheck to know who is in school should staff need to call families as they do for all absences.

Additional impact of school closing:

All school and athletic activities are canceled when schools are closed or dismissed early because of inclement weather. Community activities planned for a building that is closed due to these circumstances are also canceled for the safety of the community and the district staff.

Visiting School

Safety for our students and staff is critical to us! All doors to the school will be locked during the school day. Parents and visitors will need to buzz in at the main entrance to gain access to the school. All visitors (including parents) must present a valid ID to office staff before moving beyond the office area. All visitors must wear a visitor's badge to go beyond the office to the rest of the school. Parents need to make arrangements with their child's classroom teacher with any intent to visit the school.

Whenever you come to visit the school or pick up a child, you need to use the main entrance of the building. The district policy is to accept only those visitors who have legitimate business at the school. Parents of our students are always welcome. However, we ask that preschool-aged children not be taken into classrooms. If younger or older brothers and sisters are brought to school for any reason, parents are responsible for their behavior. Students are not allowed to bring friends to school, including former students, out-of-district students, visiting friends, and preschoolers, without permission from the office staff.

Withdrawal

A parent should contact the school office **at least one day in advance** of a student's withdrawal, stating where the child is moving and, if known, the name and address of the

new school. Information will be prepared to assist the student's entry into the new school. Any district materials, technology, or library books not returned when the student withdraws must be paid for at that time. Also, all lunches and any other fees need to be paid for before the student withdraws.

General Information

Care of Property

We take pride in the appearance of the school building and grounds. Students are expected to help keep the school free of litter and help dispose of trash properly. Students involved in graffiti or other destruction of school property or equipment will receive appropriate disciplinary consequences.

School Supplies/Student Class Fee

There is a \$53 supply fee and a \$7 class fee that can be paid via Infinite Campus or in the office via check or cash. The school will order supplies for each learning suite.

Student Dress Code

Elwell Elementary takes pride in the appearance of our students. Therefore, student dress should conform to recognized standards of decency, safety, modesty, and cleanliness. Students and staff will not be permitted to dress in a manner that affects their safety or others, is disruptive to the learning environment, and/or indicates an affiliation with negative social influences such as gangs, cults, substance abuse, or sexual degradation.

Dress Code: Students and staff may be referred to an administrator for clothing that includes, but is not limited to, articles considered "revealing and inappropriate for school."

Here are some dress code guidelines:

- Tops without straps, backs, or sides are not allowed
- Cropped tops that show the stomach are not allowed

-
- Shorts, skirts, or pants that are either too short or too loose to cover students' rear ends fully are inappropriate to wear at school
 - Muscle shirts/t-shirts with the sides cut off are not allowed
 - Shoes must be worn at all times
 - Outerwear must cover underwear
 - Any clothing advertising weapons, alcohol, drugs, or tobacco will not be allowed
 - Sunglasses, bandanas, hats, hoods, and spikes or chains will not be allowed, except religious or medically necessary headwear
 - Any clothing, paraphernalia, grooming, jewelry, hair coloring, accessories, or body adornments that are or contain any advertisement, symbols, words, slogans, patches, or pictures that are obscene, profane, vulgar, lewd, or legally libelous are not allowed
 - If in doubt, do not wear it. We ask that you err on the side of being appropriate for school

If a staff member refers a student to an administrator for a dress code violation, the student will be asked to change clothes. A parent or guardian may be contacted. Repeated violations will result in disciplinary action.

Exceptions:

Appropriate athletic clothing may be worn in physical education classes. Clothing normally worn when participating in school-sponsored extracurricular or sports activities (such as cheerleading uniforms and the like) may be worn to school when approved by the sponsor or coach.

We ask parents to work with their students on choosing appropriate clothing for school.

Building administrators have the final discretion to decide what is considered inappropriate attire for school according to school-specific dress codes consistent with this policy.

Student Identification Badge

Students will be issued a school identification badge (ID). Students must visibly display their identification badge at all times while on campus. Student ID's will be used for safety

precautions, transportation, school breakfast/lunch programs, library and hall passes during the school day. If an ID badge is lost, a replacement will be given to the student without charge. After the first replacement, a \$5 charge will be imposed if an ID is lost again.

Learning Commons

Use of library materials is free except when there is damage or loss. In such cases, the parent(s) will be notified and asked to pay for the materials.

Parent Teacher Communication and Conferences

We can best help your child if we work together. Regular parent-teacher conferences are scheduled twice during the school year. Additional conferences may be scheduled by parents and teachers based on individual needs.

Parents and teachers need to have confidence in one another and keep communication channels open to avoid misunderstandings. Parents and teachers working together have the best chance of helping the student grow and learn from these experiences.

Teacher hours are from 8:00 a.m. to 3:50 p.m. You are encouraged to contact your child's teacher before school between 8:05 and 8:20 a.m. or after school between 3:35 and 3:50 p.m. or email the teacher. Also, you may contact the school office to see if your child's teacher is available at other times during the school day.

School Volunteers

Teachers are encouraged to have parent volunteers to assist with classroom parties, field trips, and other classroom and school activities. Volunteers are most welcome at school, and their efforts are highly valued. Please contact the teacher or school office if you have an interest in serving as a volunteer.

Bicycles, Scooters, Rollerblades, Skates, and Skateboards

Bicycles, scooters, rollerblades, skates, and skateboards may be ridden to and from school. Bicycles and scooters are to be parked on the bike rack. They are not to be moved during the school day. Students are required to walk their bicycle or scooter on school grounds. Students are encouraged to wear a helmet if they ride a bike or scooter to school.

Cellphones, Smartwatches, & Telephone Use

Cellphones and Smartwatches are to be left in backpacks and should be turned off or on silent mode. The school assumes no responsibility for lost, damaged, or destroyed items.

Students may use the telephone with permission from school personnel. Students will not be called to the phone unless it is an emergency. When necessary, messages will be taken for students and given to them at the end of the school day.

Money and other Articles From Home

Students are discouraged from bringing money or valuable items to school as the school assumes no responsibility for lost, damaged, or destroyed items. Any money sent to school is safest when in the form of a check placed inside an envelope with the student's first and last name written on it. Students like to bring items from home for show and tell. However, items of value that may get lost or damaged should be brought to school by a parent and taken back home after they have been shown.

Toys and Sports Equipment

Students may bring the following items labeled with the child's first and last name: basketballs, footballs, kicking tee, soccer balls, volleyballs, soft cushioned balls, and/or football gloves. Toys should be left at home; the school assumes no responsibility for lost, stolen, or damaged items.

Lost and Found

The school maintains a Lost and Found. The school is not responsible for lost articles. However, marking all personal items with a first and last name greatly assists in a quick return to the rightful owner. Unclaimed objects will be donated.

Cubbies

Cubbies for student use are the property of the school and are for the storage of school supplies and personal items necessary for school. Students should take care of these cubbies and report any broken cubbies immediately to the school office.

Pets

Pets are not allowed at the school. If your child wants to bring a pet for show and tell, arrangements need to be made with the classroom teacher. If you have a pet with you during pick -up or drop -off times, please wait at a safe distance.

Recess

Students will go outside for recess when the temperature, including the wind chill factor, is 20 degrees Fahrenheit or above. Weather conditions are monitored from the office daily. We feel that children benefit from outside physical activity. Therefore, please ensure that your child is dressed warmly on cold -weather days. At times, students will not be allowed to go to recess based on their behavior or work to finish. The classroom teacher or the administrator makes this decision.

Retention and Promotion

A fixed set of criteria is not used to determine promotion from one grade level to another. In general, the well -being of the individual student shall be the determining factor. Therefore, retention shall be used sparingly. When considering a student's retention, the teacher shall confer with the student's parents well before the end of the school year. Initial discussion with the parents of this consideration will be held no later than the end of the 3rd quarter. The teacher may then recommend retention when it is clear that the student will benefit. The administrator will review each case before approving retention. Then, the administrator, teacher, and parents will work together to make a decision.

Field Trips

Field trips are designed to provide students with quality educational learning experiences outside the school. Adequate supervision is essential for these experiences to be successful. Teachers are responsible for choosing volunteers or parents who will assist them with supervision on each field trip. Volunteers or parents are then required to ride the school bus to assist in providing the appropriate supervision. Siblings or other children are not allowed to accompany volunteers or parents on field trips. Volunteers or parents are not allowed to meet and accompany classes at the field trip site; they must ride the field trip bus. To maintain the safety and security of students on field trips, only those volunteers selected as

chaperones will be approved to join the field trip. Volunteers or parents who are not selected as chaperones will not be allowed to meet and accompany the class at the field trip site.

Transportation

Bus Transportation

Students who are transported are allowed only one pick-up and drop-off location. This will only change in the event the student has a physical change of address. Only those students who are designated as bus riders will be allowed to ride the buses to and from school.

All phases of bus transportation are carefully supervised, and we strive for high standards of student conduct. Students should arrive no more than 10 minutes before their departure time from the bus stop. Bus stops that are not at school sites are not supervised, and school area stops are not supervised before 8:20 a.m.

If you have any questions or concerns, you may contact your child's bus driver or the supervisor of the transportation department (970-587-4202).

Bus Rules

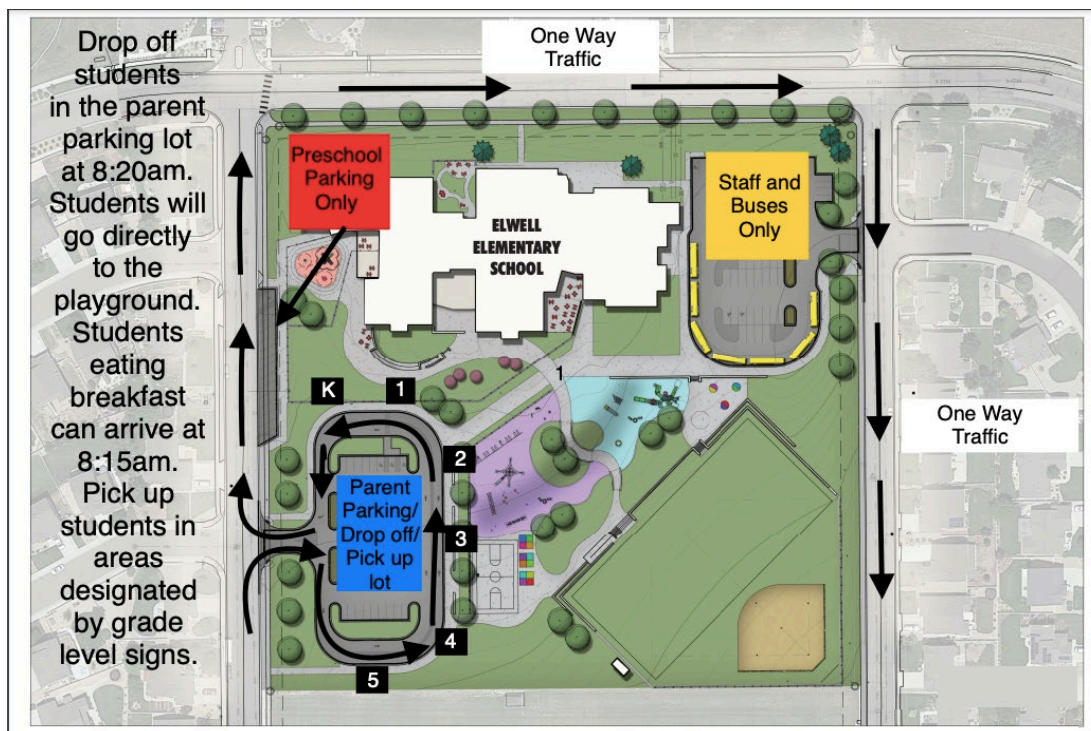

All bus passengers must observe the rules for bus conduct to keep the buses running on schedule and maintain riders' safety .

- The bus driver is in the complete authority of the students riding the bus at all times.
- Pop bottles, cans, or other drink containers are not to be brought on the bus. Food should not be eaten during regular bus routes.
- Passengers must be ready to get on the bus as soon as the bus arrives. The bus will not be delayed for late students.
- The bus driver may assign each rider to a certain seat.
- Students will not move about while the bus is moving.
- Passengers will not extend arms, legs, or heads out of the bus windows.
- Passengers will not talk to the driver while the bus is in motion except in an emergency.
- Passengers will not mark or deface the bus and its equipment.
- Passengers shall not open windows except when directed by the bus driver.
- Passengers shall not fight or scuffle on the bus or throw objects out of the bus windows.
- Passengers must remain seated until the bus comes to a complete stop.

- Books, backpacks, lunch boxes, and similar objects must be kept out of the aisles.
- Students should not run along the side of the bus but wait until the bus stops and the driver opens the door.
- When approaching a bus stop, if a student has to walk along the highway, he/she should walk on the shoulder of the road, facing traffic.

Dropping Off and Picking Up Students

Please see the map diagram showing where to drop off and pick up your child each day. Children may be dropped off at 8:15 am for breakfast, and if he or she is not eating breakfast, then the drop-off time is 8:20 am on the playground. Duty staff will not be out on the playground until 8:20 am. Please note the one-way streets.

Problems To and From School

Children sometimes need guidance with their behavior to and from school. Children have the right to go to and from school without being harassed by others. It is the shared responsibility of the home, community, and school to help students learn to get along and respect the rights of others. Some suggestions to follow include:

-
- Joining your child in walking to and from school.
 - Contact the parents or guardians of the children involved to work out a solution.
 - Contact the school for suggestions and to influence or remind those involved about appropriate, responsible behavior.
 - If the problem persists, contact our local police department for assistance.
 - If a problem occurs on the bus, please contact the transportation office at 970-587-4202 before contacting the school.

Health and Wellness Information

Allergies and Food Intolerances

The school should be informed of any student who has a serious known allergy that could endanger his or her life, especially to bee stings, food, or medication that causes severe or life-threatening reactions.

Immunizations and Other Health Requirements

The State of Colorado requires evidence of immunization for school enrollment. A child entering school in grades PK -5 must meet the minimum requirements for each vaccine or have a signed Statement of Exemption. A child will be denied entry into school until this information is provided.

A child entering school as a transfer student may be provisionally enrolled for 60 days until records are transferred from the previous school. If transfer records are incomplete or never received, the student may be suspended until the minimum requirements for each vaccine are met, or a signed Statement for Exemption is submitted.

Please keep your Emergency Information updated with the office with any changes in address, employment, or telephone numbers. In the case of an emergency the home phone is called first, then the emergency numbers. Parents will be notified of serious injuries if possible, and 911 will be called first when an extremely severe medical emergency arises.

Children should not be sent to school with a fever or contagious disease. Students with either a high-grade or low-grade fever will be sent home.

Physicals for Entry Into School

A completed Physician's Physical Examination Form or its equivalent must be submitted for every new enrolling student. If your child has been in the RE -5J Preschool or Milliken Head Start the previous school year and if you submitted a completed physical to that program, that form will be transferred to our school with your child's records.

Medication Policy

The procedure for administering medication to students during school hours is as follows:

- Physician's Order for Prescription on the Permission for Medication form signed by your child's physician.
- Parent's signature on the Permission for Medication form or a note indicating permission for the child to receive the medication.
- The prescription bottle is properly labeled with the child's name and contains only enough medication necessary to be given during school hours.
- Only prescription medication will be dispensed by school personnel provided the above procedure has been followed. Students who have asthma and use an inhaler must have written permission from both the parent and physician before being allowed to have an inhaler at school. Students will be allowed to carry their own inhalers only with written permission.
- Over-the-counter medication (aspirin, cough syrup, etc.) will not be dispensed unless accompanied by a physician's note.
- When possible, medication should be taken at home (before school, after school, and before going to bed) unless it has been ordered to be taken at a specific time by the physician.

YOU MAY WONDER, "WHEN SHOULD MY CHILD STAY HOME FROM SCHOOL???"

- If your child has a temperature of 100 degrees or higher.

Children should be fever free for 24 hours without fever _____-reducing medications, _____ such as Tylenol or ibuprofen. _____

- If your child is vomiting or has vomited in the past 24 hours.
- If your child is having diarrhea or has had it in the past 24 hours.
- If your child is being treated for an infection with antibiotics and it has been less than 24 hours.
- If your child is too uncomfortable to learn or participate in learning.
- If your child is obviously ill whether fever is present or not.
- If your child has a "cold" and fever, large amounts of nasal drainage.
- A cough present that would be disruptive to the class and students.
- If your child has head lice and has not yet been treated.
- If your child's illness will make other students ill.
- If your child has pink eye and is contagious.

-
- If your child has had a noro-type gastrointestinal virus, please keep them home 48 hours after symptoms are gone.

If you are uncertain if you should send your child to school, please call the School Nurse or Health Assistant.

How Sick is Too Sick? When Children and Staff Should Stay Home from School or Child Care

There are three main reasons to keep sick children and adults at home:

1. **The child or staff member does not feel well enough to take part in usual activities. For example, a child is overly tired, fussy or will not stop crying.**
2. A child needs more care than teachers and staff can give while still caring for the other children.
3. The symptom or illness is on this list, and staying home is required.

Remember, the best ways to stop the spread of infection is through good hand washing and staying home when sick.

Symptoms	Child must stay home?
Diarrhea Frequent, loose, or watery stools (poop) compared to normal ones that are not caused by food or medicine.	Yes - if there are other symptoms along with the diarrhea (such as vomiting, fever, abdominal pain, jaundice, etc.), the diarrhea cannot be contained in the toilet, there is blood or mucous in the stool, the child is in diapers or the staff member handles food or bottles. Children and staff may return 24 hours after their last episode of diarrhea unless the diarrhea is caused by an illness that requires them to stay home longer.
Fever Fever with behavior change or other illness. Babies who are 4 months or younger need to see a doctor right away for a fever of 100°F or higher.	A child should not be excluded if they have a fever with no other symptoms unless they are 4 months old or younger. Yes - if there is also a rash, sore throat, throwing up, diarrhea, behavior changes, stiff neck, or difficulty breathing.
“Flu-Like” Symptoms Fever over 100°F with a cough or sore throat. Other flu symptoms can include tiredness, body aches, throwing up, and diarrhea.	Yes - for at least 24 hours after the fever is gone. The fever needs to be gone, without using medicine that reduces the fever (acetaminophen or ibuprofen).
Coughing	Yes - if the coughing is severe, uncontrolled, or the child has wheezing, rapid or trouble breathing. Medical attention is needed for wheezing, rapid or trouble breathing. <u>Note:</u> Children with asthma may go to school with a written health care plan and the school is allowed to give them medicine and treatment.
Mild Respiratory or Cold Symptoms Stuffy nose with clear drainage, sneezing, and mild cough.	No - children and staff may go to school if they are able to take part in usual activities. Children and staff should stay home if the symptoms are severe. This includes fever and if a child is not acting normally and/or has trouble breathing.
Vomiting/Throwing Up Throwing up two or more times in the past 24 hours, there are other symptoms in addition to the vomiting (such as fever, diarrhea, etc.).	Yes - until 24 hours after throwing up stops or a doctor says it is not contagious. If a child has a recent head injury, watch for other signs of illness and for dehydration. Adults who handle food and bottles must be excluded.

See second page for a list of illness that may require children or staff to stay home.

Illness	Child must stay home?
Chicken Pox	Yes - until the blisters have dried and crusted (usually 6 days).
Conjunctivitis (pink eye) Pink color of eye and thick yellow/green discharge	No - children and adults do not need to stay home unless they have a fever or are not able to participate in usual activities. Call your doctor for advice and possible treatment.
Croup (see Coughing)	Call your doctor for advice. Note: Children and staff may be able to go to school unless they are not well enough to take part in usual activities.
Fifth's Disease	No - the illness is no longer contagious once the rash appears.
Hand Foot and Mouth Disease (Coxsackie virus)	No - unless the child or adult has mouth sores, is drooling and is not able to take part in usual activities.
Head Lice or Scabies	Yes - children may stay at school or child care until the end of the day but cannot return until after they have had the first treatment.
Hepatitis A	Yes - children and staff may return to school or child care when cleared by the health department. Children and staff should not go to another facility during the period of exclusion.
Herpes	No - unless there are open sores that cannot be covered or there is nonstop drooling.
Impetigo	Yes - children and adults needs to stay home until antibiotic treatment has started.
Ringworm	Yes - children may stay at school or child care until the end of the day but cannot return until after they have had the first treatment. Keep the area covered for the first 3 days if participating in sports with person to person contact.
Roseola	No - unless there is a fever or behavior changes.
RSV (Respiratory Syncytial Virus)	No - children and staff can go to school unless they are not well enough to take part in usual activities and/or they have trouble breathing. Call your doctor for advice.
Strep Throat	Yes - for 12 hours after starting antibiotics unless the doctor says that it is okay to return to school sooner. Children and staff also need to be able to take part in usual activities.
Vaccine Preventable Diseases Measles, Mumps, Rubella (German Measles), Pertussis (Whooping Cough)	Yes - Children and staff can return to school once the doctor says they are no longer contagious.
Yeast Infections Thrush or Candida diaper rash	No - follow good hand washing and hygiene practices.
Other Symptoms or illnesses not listed	Contact the child care center director or school health staff to see if the child or staff member needs to stay home.

This was developed in collaboration with the Children's Hospital of Colorado School Health Program. The information presented is intended for educational purposes only. It is not intended to take the place of your personal doctor's advice and is not intended to diagnose, treat, cure or prevent any disease. The information should not be used in place of a visit, call or consultation or advice of your doctor or other health care provider.

The contents of this document are not to be altered without the express permission of the Department.

The counselor is an integral part of the total school program. The counselor meets with students individually and in small groups and works together with teachers, parents, administrators, specialists, and community agency personnel to best meet student needs.

Gum and Candy

We discourage children from bringing gum and candy to school unless they are refreshments for a scheduled classroom party. This is permitted at the discretion of school staff.

Party Treat Recommendation

The health department recommends that “prepackaged food may be a safer choice at holiday parties.” You will be notified if it becomes necessary to require prepackaged food for a period of time if there are specific school or school district problems. Healthy party treats are encouraged.

Lunch and Breakfast Programs

Students are encouraged to participate in the school lunch and breakfast programs provided by Sodexo. Students may also bring their lunch. Lunches can be paid online through the [Infinite Campus Parent Portal](#).

A family may qualify for free or reduced lunches and breakfasts. Help us help you! The Weld County School District RE -5J encourages ALL families to fill out the lunch application online. All information is confidential. If you have any questions, please contact the district office at (970) 587 -6050.

Lunch Program Charge Policy

All school lunch accounts should be kept current. If payment is not received, the parent or guardian must provide the student with a sack lunch for the following day and every day until the balance is paid. Parents are welcome to contact the Kitchen Manager with questions or if they need help completing Free/Reduced lunch applications.

- **Breakfast Price:**
 - Grades Kindergarten - 12th Grade \$1.90
 - Extra milk \$0.60
- **Lunch price:**
 - Grades K -5 \$2.70
 - Grades 6-8 \$2.85
 - Grades 9-12 \$3.00
 - Extra milk \$0.60
- **Free/Reduced Price Breakfast & Lunch:**
 - Grades K - 12th BREAKFAST & LUNCH AT NO CHARGE!
 - Extra milk \$0.60
- **Adult meal prices: Breakfast \$2.50 Lunch \$3.80 Extra milk \$0.60**

Please prepay for meals so your child will be able to eat without charging. You can find out what they owe on the Parent Portal or call the district office at (970) 587-6050. If your student goes through the lunch line and charges, parents are responsible for those charges. Please prepay for student meals in one of the following ways.

- Checks are to be made out to Weld RE-5J, with the student's legal name and grade on the memo line and dropped at the available boxes in the school office. OR, payments can be made in the Parent Portal with a credit card; a service charge fee applies.

Discipline and Behavior

Discipline

We believe in developing student self-discipline. We set high expectations for student behavior and teach those expectations to students. Students are then held accountable for meeting those expectations. Students are taught the acceptable expectations for the classroom, hallways, playground, and other areas of the school. Students are given opportunities to practice these and to demonstrate their understanding of the expectations. Teachers develop classroom discipline systems to encourage students to make good behavior choices. When a child makes a poor choice, we ask the student to think about his/her behavior, what the problem was, and how he/she can resolve the issue and repair the relationship. This is designed to be a positive approach to discipline that allows the student to learn from the experience. If a student does not comply with the teacher or is repeatedly disruptive to the learning of others, the student will be referred to the office. The administrator will meet with the student and determine appropriate consequences for the student. Parents will be contacted when necessary to provide support to help their children make appropriate choices.

Our school promotes several anti-bullying strategies in each classroom and with our school counselor. Students are taught ways to be good friends and to discourage bullying behavior in one another. Our school staff takes bullying issues very seriously and works with students on an individual basis to stop the bullying behavior.

Continued misbehavior or disruptions may result in an in-school suspension or out-of-school suspension if it is determined to be necessary. All discipline decisions will be made by the school administration and/or staff with the guidance of the [Weld Re5j Discipline Matrix](#). **These documents will help guide the administrator's decision, but consideration will be made for each situation, age, and circumstance.** In addition, school staff members will only discuss discipline issues that involve your own child and will not discuss other students with you.

Our hope is that students can demonstrate positive behaviors that promote self-discipline and that results in a productive learning environment for themselves and others. A school environment that is structured with high but realistic expectations provides a safe and secure learning environment in which the focus is on learning.

After School Academy

Students will have an opportunity to make up work or get extra support after school, as needed throughout the year. Parents will be given at least one day's notice if their child has been asked to participate, and parents are also asked to provide transportation.

Playground Rules

A playground is a place where students have an opportunity to enjoy physical activity in a safe environment. Specific rules for playground equipment and appropriate actions are explained to students. Practicing positive sportsmanship and respect among all students is constantly reinforced.

Misuse of playground equipment:

A student who is not following the rules for a piece of playground equipment may lose the privilege of playing on that equipment for the remainder of the recess.

Poor sportsmanship, foul language, and rough play:

A student demonstrating poor sportsmanship, using foul language, or playing too rough may be required to spend the remainder of that recess or the following recess standing next to the building. It may be necessary to see the administrator. In addition, if a group of students demonstrates poor sportsmanship during an activity, that activity may be banned from the playground for those individuals for some time.

School Notices & Plans

English Language Learners

Weld County School District RE -5J has implemented a plan to ensure that English Language Learners in the district receive equal and meaningful access to educational programs. The plan includes:

- Processes to identify students who are learning the English language
- Processes to assess English Language Proficiency
- Processes to assure that Special Education students are correctly supported
- The initiation of an educational program to teach English to English Language Learners
- Other administrative procedures for the benefit of all students

Title IX Notice

Weld County School District RE-5J is an equal opportunity educational institution and will not discriminate based on disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry, or need for special education services in its activities, programs, or employment practices as required by Title VI, Title IX, and Section 504. For information regarding civil rights or grievance procedures, please contact Brandi Trevino, Title IX coordinator, Weld County School District RE-5J, 110 S. Centennial Drive, Milliken, CO 80543, (970) 587-6050. You may also contact the Office for Civil Rights, U.S. Department of Education, Region VIII, Federal Office Building, 1244 North Speer Blvd., Suite 310, Denver, Colorado 80104, (303) 844-2991. Denver, CO 80204, (303) 844-2991.

Building Accountability Committee

As required by state law, there is a Building Accountability/Advisory Committee at our school composed of parents and teachers. This committee meets with the administrator at least once every quarter as part of our regular Parent/Teacher Organization (PTO). This committee is charged with reviewing and evaluating goals for school improvement. This committee will also:

- Provide assistance, evaluate, and advise the administrator regarding programs and activities.

- Serve to improve communication between the school, parents, and community.
- Advise the administrator of parent and community questions.
- Serve to assist parents in becoming more actively involved in their child's education both in school and at home.

PTO/ BAC meetings are open to the public, and all parents are welcome to attend. Dates and times of meetings will be announced at least one week before each meeting.

Notice to Parents Concerning Sex Offender Registration

Information regarding the procedures by which community members may obtain law enforcement information collected pursuant to the Colorado Sex Offender Registration Act is available online at:

http://dcj.state.co.us/odvsom/Sex_Offender/So_Pdfs/schoolresourceguideregistration.pdf

or

http://www.cde.state.co.us/cdeprevention/download/pdf/School_Sex_Offender_Guide.pdf.

In addition, copies of this guide are available upon request at Weld RE -5J Administration Building located at 110 S. Centennial Drive Suite A, Milliken Colorado 80543

Emergencies and Emergency Sheet Information

911 will be called first when an extremely severe (life -threatening) medical emergency arises. In the case of a serious illness or injury, the primary contact is called first. If there is no answer, the emergency numbers are called. If there is no response , the parents will be called at work. Every attempt is made to notify parents when there is a serious injury. **It is extremely important that your child's emergency contact information is current at all times.** Please inform the school office of any changes in residence, employment, and/or phone numbers that occur during the school year.

Crisis Plan

The district utilizes the "I Love You Guys" website <https://iloveguys.org/> and SRP.

Early Childhood Education Elwell Early Learning Center and Milliken Early Learning Center

Affiliation

The Elwell Early Learning Center and the Milliken Early Learning Center are preschools within the education system at Milliken Elementary School, Elwell Elementary School, and the Weld RE5J School District. Financially, the program is operated with funding from the state via the Colorado Preschool Program (CPP), Special Education, and School District support. The Preschool serves children with special needs and children who qualify for the Colorado Preschool Program.

Online Registration

When you register your child online, you need to upload or provide a copy of your child's Birth Certificate, Health and Immunization Record, and a current Doctor's Physical. Your child must have all of his/her required shots to begin school on the first day. If you choose to exempt your child from immunizations, then an exempt form must be updated annually. A health physical must be completed and documented on a school physical form/doctor physical form and signed by a doctor or physician assistant. The form must be provided on

or before the first day of school. The yearly physical is due every 12 months as dated by the child's physician.

During the home visit with the classroom teacher, the parents or guardians are also asked to complete a questionnaire that enables teachers and families to work together to help children participate successfully in our preschool program. It is important that families relate to us their family values and practices so that the program can be supportive. If the program's professional values and practices differ from the family's, please notify the classroom teacher or director.

Program/Schedule

The Johnstown Milliken Preschool runs Monday through Thursday and follows the District Calendar. There is an AM session and a PM session. The AM session runs from 8:30 am - 11:30 am, and the PM session runs from 12:30 pm - 3:30 pm.

Primary Caregiver/Continuity of Care

The Early Learning Centers believe in the philosophy of Primary Caregiving and Continuity of Care. The primary caregiver system ensures that every child has a special person and that each parent has a primary contact. How is the primary caregiver special? She becomes an expert on each child, an advocate, and a coordinator of children's and parents' experiences. The primary caregiver-parent relationship is as important as the teacher-child relationship. A primary caregiver's relationship with children and parents usually begins at the home visit. (While children are adjusting to being in care, it is easier for them to get to know one new person than to get to know several.)

Continuity of care means that when your child begins as a three-year-old, he will have the same primary teacher for his years in preschool. It is important that children feel safe and develop a rapport with a trusted adult at school.

Preschool Age-Of-fit

The Johnstown Milliken Preschool accepts children who are 3 and 4 years old. The child may enter the preschool if he/she is 3 or 4 years old on or before October 1 of the year of enrollment and funded through Colorado Preschool Program. If the child is funded through Special Education, then the child may enter upon his/her third birthday or at age 2½ if the team makes that decision during the IEP meeting.

Licensing

The Johnstown Milliken Preschool is licensed according to the Rules Regulating Child Care Centers issued by the Colorado Department of Human Services, State of Colorado. The staff members are qualified and certified according to the State Licensing Regulations. To review a license or to file a complaint, call the Colorado Department of Human Services at 1-800-799-5876.

Staffing

Each classroom is staffed with one classroom teacher and one co-teacher. When needs arise for our students to need more support to sustain attention or for safety reasons, a special education paraprofessional will be in the classroom to provide this additional support. The special education paraprofessional can work with any children in the classroom and is not assigned to one specific child. Some classrooms may have more adults if needed.

Students with Special Needs

The Johnstown Milliken Preschool works cooperatively with the Weld County RE5J Child Find Team in the assessment, identification of needs, and programming for students who come to our attention. Students with special needs that come to our attention during the school year will be referred to Child Find. Licensed teachers and therapists provide Special Education services within the Preschool.

Colorado Preschool Program

The Johnstown Milliken Preschool has a Colorado Preschool Program component. Students are determined to be eligible through a set of criteria. Parents and child or children must attend a developmental screening to apply for consideration to the Colorado Preschool Program. The schedule for preschool screenings will be sent home with all elementary students, preschool students, Head Start students, and local preschools. There is also screening information on the District website (www.weldre5j.org) and once a year in The Johnstown Breeze.

Volunteers

Research states that parents and/or guardians who volunteer at school have more successful and engaged children. Therefore, we encourage parents or guardians to volunteer one day a month. Volunteers will be required to complete a confidentiality form and a volunteer registration form before beginning their volunteer work.

Confidentiality

Children's assessment records are stored in the classroom files in a locked file cabinet. Disclosure of children's assessment records beyond family members, preschool staff personnel, and Weld County School District Re5J staff shall require familial consent (except in cases of abuse, neglect, or court order).

Home Visits, School Visits, and Parent/Teacher Conferences

Before the first day of preschool, teachers will conduct a home visit. Each home visit will last approximately 20 minutes. This visit will enable parents to ask questions and allow the children to feel comfortable in their new preschool classroom when they see a familiar face, their teacher. During the school year, new children to the program and their parents will meet the preschool teacher and receive a tour of the classroom before their first day of school.

Parents are invited to visit and observe the classes in session. Parents may stop in anytime without calling ahead. If a parent wishes to stay for an extended visit, notification is appreciated. Parents dropping off or picking up their children are asked to wait outside the classroom. This allows the teacher to implement arrival and dismissal routines effectively.

Parents are encouraged to sign up as a parent helper or to share expertise or a job experience with our students. Parent and family workshops are scheduled each school year as well as family social nights. In addition, Parent/Teacher conferences are also held twice a year. (October and March)

All visitors are required to sign in at the elementary school office and are required to wear a visitor sticker printed after a valid ID is scanned so that the director and preschool personnel shall know who is present in the preschool classrooms at any given time. Upon leaving, visitors are required to return the visitor sticker to the staff at the front office.

If an interpreter and/or translator are needed at conferences, one will be provided by the District.

Assessment Plan

The following assessments will be used by the Johnstown Milliken Preschool to report progress to parents, inform classroom instruction, and provide teachers with clear ideas for curriculum development and daily planning. The assessments also aid the preschool staff in making overall sound decisions about curriculum, teaching practices, and program

improvement, and reporting accountability of the program to the State of Colorado under Results Matter and Colorado Preschool Program.

- Teaching Strategies GOLD
- Zoo Phonics assessment
- Preschool Early Literacy Indicators (PELI)
- Response to Intervention (RtI) – Discrete Trial Training (DTT)
- Additional informal assessments as needed
- Special Education evaluations as required within a child’s IEP

Conditions and Methods of Assessment

All assessments are administered one-on-one by the classroom teacher or paraprofessional within the classroom setting or in play-based settings through recorded observations. If necessary, a child may be assessed outside the classroom by their teacher due to the distractibility of the classroom environment. While interacting with children, teachers are constantly assessing strengths, needs, and interests which results in additional assessment information and planning for individualized teaching. Additionally, these interactions and assessments strive to be sensitive to the family culture, experiences, children’s abilities, and disabilities, as well as the home language of the child.

Assessment of children may be delayed or re-administered due to the child’s illness or the child’s emotional well-being.

Drop Off and Pick Up Processes

1. The doors to the classroom will not open until 8:30 am and 12:30 pm, respectively. Upon arrival, sign your child into preschool and wait outside the classroom until the teacher greets you. In some classes, you will go into the classroom to sign in.
2. The teacher will take attendance after all students have arrived.
3. At dismissal time, wait for your child outside the classroom and sign your child out at this time.
4. Preschool will dismiss at 11:30 am and at 3:30 pm, respectively. Please be on time.
5. Only the parent, guardian, or an authorized person 18 years or older may take a child from the preschool. Be sure your written form authorizing pick up of your child is up to date.

-
6. If an unauthorized person attempts to take a child, the parent will be notified, and the child will not be released.
 7. If a parent's written or verbal permission allows someone not known to the staff to pick up your child, a picture I.D. of that person will be required.
 8. Please drive slowly and carefully around the preschool classroom settings. Be sure to use the crosswalks and have your child stay with you at all times.

Late Pick Up

Emergencies are understandable; however, preschool -aged children are often very upset when parents or guardians arrive late. Please be on time. Preschool dismisses at 11:30 am and at 3:30 pm. If a child's parent or guardian is late, the child will stay with preschool staff and every effort will be made to call numbers noted on the emergency form for one hour. If a parent cannot be reached after one hour, the Weld County Department of Human Services will be contacted along with the Police Department. This is to ensure safety.

Supervision of Children and Lost Children

Direct supervision is maintained at all times. Appropriate teacher-to-child ratios are always maintained as outlined by the state of Colorado with increased supervision on field trips as needed. Sign-in sheets are checked periodically throughout the day, as well as frequent counting of children to make sure all are accounted for.

If a child should become lost, the director and school principal are notified immediately, and a search party is organized, checking all possible hiding places and taking care to ensure that the other children are safe and well supervised. If the child has not been found in 10 minutes, the police and parents are notified. The director or teacher will continue the search with community personnel until the child is found.

Snacks and Celebration Treats

A regular snack time is scheduled, and snacks are provided by the school district. Your child may celebrate his/her birthday by bringing a treat for the class. Please notify the preschool teacher if you plan to send a treat. All treats must be prepackaged or store-bought. Due to health department regulations, no homemade treats may be shared at school. In addition, please check with the classroom teacher in regards to food allergies before purchasing treats.

Holiday parties are fun and active times for parents to interact with their children. Snacks are served at the party and usually prepared to a certain extent by the children. Parents do not need to provide extra snacks or treats for the parties unless requested by the teacher.

Classroom Parties

Parents are strongly encouraged to attend classroom parties. However, due to our licensing rules and regulations around ratios, siblings under the age of 5 are not allowed to attend the parties. We understand that this may be difficult, but we appreciate your cooperation.

Newsletter

Communication with parents is important to our program. Please send a backpack with your child to help get papers and notes home to you. A monthly newsletter will be sent. Every attempt is made to communicate with parents. If you are not receiving notes, please let us know. Most notes are posted outside the preschool door by the front entrance. Please check to see that you have received all correspondence.

Emergency Closing of School

Inclement Weather

Emergency Plans and Procedures

Illness, Accidents, Injuries, and Health

Handwashing Rules

1. Use liquid soap and running water
2. Rub hands vigorously for at least 20 seconds, including the back of hands, wrists, between fingers, under and around any jewelry, and under fingernails.
3. Rinse hands well!
4. Dry your hand with a paper towel or a dryer.
5. Avoid touching the faucet with just -washed hands.
6. Turn off the water handle with a paper towel.

Adult and Volunteer Handwashing Requirements

- On arrival for the day
- After diapering or using the toilet

-
- After handling body fluids
 - Before meals and snacks, preparing or serving food, or handling any raw food that requires cooking
 - After water play
 - After handling pets and other animals
 - After handling sand, dirt, or surfaces that might be contaminated by contact with animals
 - Before and after feeding a child.
 - Before and after administering medication.
 - After assisting a child with toileting even if you wear gloves.
 - After handling garbage
 - After cleaning

Children Handwashing Requirements

- Upon arrival for the day
- After using the toilet

- Before meals and snacks, preparing or serving food, or handling any raw food that requires cooking
- After water play
- After handling pets and other animals
- After handling sand, dirt, or surfaces that might be contaminated by contact with animals.
- After handling garbage
- After cleaning

Medications, Sunscreen, and Insect Repellent

Medications, both prescription and over the counter, may be administered to a child only if the child's record documents that the parent or legal guardian and child's physician have given permission. An administrator or teaching staff trained and evaluated by the school district nurse will administer the medication and practice the six right practices of medication administration:

1. Right Student
2. Right Medication
3. Right Dosage
4. Right Time
5. Right Route
6. Right Documentation

All medications must be labeled with the child's first and last names, be in the original container, and be labeled with the child's licensed health care provider. Prescription medication must be in the original prescription label that details the name, the strength of the medication, and instructions on how to administer and store it.

All medications at school are kept in a locked cabinet.

Sunscreen is required for all children according to the Rules Regulating Child Care Centers 7.702.52D12. Parents are asked to apply sunscreen to their children every day before their arrival at school or give permission for the school to apply sunscreen to their children. If the school applies sunscreen to your child, parents are asked to supply the school with state-approved sunscreen labeled with the child's first and last name. The sunscreen must be in the original container and have directions for application. Parents will initial on the sign-in sheet as to whether sunscreen has been applied.

Insect repellent is not applied at school. If you would like your child to wear insect repellent, we suggest you apply it before coming to school.

Television and Video Viewing

There is no television viewing in the preschool classroom. Videos may be watched at times. The viewing time will not exceed 30 minutes in a month, and all videos will be appropriate for the children's ages and relate to the current theme. There is permission to view videos listed on our enrollment form.

Diapering and Toilet Training

Diapers are changed as needed when the child is wet or soiled, every 1 1/2 hours or as requested by parents. Disposable diapers or pull-ups are provided by the parents and kept in the child's backpack. Clothing that is soiled by urine or feces is immediately placed in a plastic bag and sent home that day for laundering. Staff changes children in designated changing areas within the bathrooms.

When the child is developmentally ready and can verbalize the need, preschool staff will help in toilet training. The goal is to support the efforts of the child at school and the efforts of the parents at home. The child will be asked to sit on the toilet at regular intervals and rewarded if he/she goes potty. At the next stage, the child will be rewarded only if he/she comes to the bathroom dry and goes potty.

As children are toilet trained they are encouraged to use the bathroom and are encouraged towards independence as much as possible. It is important for a child to be in charge of pulling pants up and down and changing wet clothes to the best of his/her ability.

Accidents are not considered problems, and children will always be praised for their efforts.

Field Trips

Field trips are designed to provide students with quality educational learning experiences outside the school. Effective supervision is essential for these experiences to be successful. The Preschool staff has the responsibility to choose the parent volunteers from their class that will assist with each field trip. A cell phone will be taken in the case of an emergency.

If a student arrives at school after the class has left on a field trip, the child must return home with a parent or guardian. We are unable to make alternative arrangements for children who arrive late.

Personal Belongings and Money

Children will have an individual cubby to place their personal belongings in. If at all possible all money and toys should be left at home. The playground and classroom is well equipped for the children's needs. If your child does bring a personal item to school from home, the school assumes no responsibility for loss, theft, or damage to these items. Please label all belongings with the child's full name.

Notification of Program Withdrawal

If a parent must remove a child from the preschool program, two weeks' notice is appreciated. If the preschool program needs to discontinue services to a child, parents will be contacted and asked to meet with preschool personnel. A decision will be made at the meeting about discontinuing services or providing alternatives.

Reporting Child Abuse

It is the policy of this preschool to comply with the Child Protection Act. To that extent, any staff member who has reasonable cause to know or suspect that a child has been subjected to abuse or neglect, as defined by statute, shall immediately report this to the director, fill out a child abuse report form, and contact Weld County Social Services. The Weld County Social Services protective services telephone number is (970) 352 -1923. The local police department number is 587 -2772 (Milliken) and 587 -5556 (Johnstown).

Positive Behavioral Interventions and Supports (PBIS)

At the Johnstown/Milliken Preschool we believe in positive approaches that allow for teaching children social and emotional skills. Preschool entails giving children the right tools to succeed in life by promoting good behavior and creating healthy relationships.

Positive Discipline:

- Change Setting: Reorganizing the environment can eliminate many behaviors.
- Redirect: Redirecting children's attention can eliminate many behaviors.
- Natural Consequences: Allows the child to learn to consider the consequences of misbehavior.
- Cozy Corner: The cozy corner gives the child a quiet place to calm down and is a choice.
- Physical Intervention: Is used only when children's safety is at stake. The adult in charge will remove the child, children, or object so that safety is maintained.

Dos of Conscious Discipline:

- Model appropriate behavior
- Communicate with parents
- Discover why a child is misbehaving
- Give the child a choice to be helpful
- Choose a safe place
- Review your responses
- Acknowledge little accomplishments & allow for teachable moments
- Positive praise

Kindergarten Transition

Children who are five years old on or before October 1st of the upcoming school year are eligible for kindergarten. There will be a kindergarten round-up in March to register your child. In the fall, parents will have the opportunity to meet the kindergarten teachers and learn about kindergarten expectations. Children who have IEPs as part of special education will have a transition meeting before their kindergarten year. Children who have been in the MTSS/RtI process will also have a transition meeting with the kindergarten teacher and/or principal.

The Weld County School District RE-5J does not discriminate on the basis of disability, race, creed, color, religion, sex, sexual orientation, national origin, ancestry, genetic information, conditions related to pregnancy or childbirth, age, or other protected class in its programs and activities, including

employment, and the Title IX Coordinator has been designated to handle any inquiries regarding the nondiscrimination policies.
