

Would you like to go to a State Park for FREE?

HOW IT WORKS:

- Check out a backpack at the school library. (The backpack includes a State Parks hang tag, wildlife guides, park maps, and binoculars!)
- You can check out the backpack for up to seven days.
- Draw or write about your adventures in the Nature Notebook.
- This is for all families, not just fourth grade!
- Post about your adventure with #SOLEinSP and @cpwsole.
