Dear MMS Community,

As we near the end of the semester and the busy holiday season, there are a few important dates you'll want on your calendar.

December 11th: 2nd semester schedules will be finalized and ready to be reviewed by your child and you. Schedule changes will be made on a very limited basis due to staffing and class sizes. Any requests to change schedules (see below) must be made by December 18th.

6th Grade: [Aspen Calvillo](#)

7th Grade: [Michael Curtis](#)

8th Grade: [Brynn Stevens](#)

December 19th: End of Year Awards Assemblies (Please note you will not receive an invitation if your child is receiving an award due to the number of students being recognized.)

6th Grade at 9:15 a.m.

7th Grade at 12:10 p.m.

8th Grade at 7:45 a.m.

Lastly, there is no school due to winter break from December 20th-January 5th. As a result of the extended break, my next newsletter will be sent out on January 12th. Enjoy the holiday season with your families and loved ones.

Happy Holidays!

Ms. Calvillo

ROCK FAIR

Hey Mustang Families,

The science department is in need of your help. We are hosting a rock fair Dec. 4th-8th and we need parent volunteers to help assist students who come in to purchase items. The proceeds from this rock fair help replenish supplies needed for hands-on activities and labs. If you are interested and available, we would love to have your help!

Best,
