Dear Parents and Guardians of Current 6th and 7th Grade Mustangs,

It's hard to believe that we are already starting to plan for the 2022-23 school year! During Mustang Time today, your child began the process to register for classes for next school year. As part of the presentation, your child was given a paper form to plan on prior to completing online course registration in Infinite Campus.

Registration forms and the powerpoint to assist with registering for courses online will be posted on our school website. The physical form does not need to be turned in as long as your child has completed their course requests via Infinite Campus. I encourage you to take time to review your child's selection with them prior to course registration closing on Friday, March 11th at 3 p.m.

If you have any questions, please do not hesitate to contact the school.

Sincerely,

Aspen Sanders, Principal
