

PRESCHOOL IS IMPORTANT!

Kids who attend preschool lay a foundation for early learning.

They learn important **social skills**, develop their **self-confidence**, **creativity** and **imagination**. All while preparing for kindergarten and **future school success**.

As a Colorado Universal Preschool provider, our families can enjoy up to **15 tuition-free hours a week**.

Available to ALL kids in the year before they are eligible for kindergarten.

Choose us as your preferred provider and we will give your kids the best start possible.

We'll help you apply to UPK. It's easy! Contact us at
