### **Roosevelt High School Graduation Ceremony, Peterson Field- May 24, 2019**

The graduating class of 2019 will hold commencement ceremonies at 7pm on the RHS football field. Please have your graduating senior to the main gymnasium at 6pm for the ceremony. Graduates should report back to the gym immediately following the ceremony to return gowns and to receive their diploma. Handicap seating will be available at Peterson Field. In the case of inclement weather, Butler Hancock Gymnasium at University of Northern Colorado in Greeley will be the alternate graduation site.

### **2019 RHS Summer School Session**

Coursework will take place on the Roosevelt High School campus from June 3<sup>rd</sup> – 27<sup>th</sup>, Mondays to Thursdays from 8am to 12pm. Courses will be delivered utilizing the RHS On-Line course delivery system and teachers will be present to facilitate lessons. Cost of the on-line courses is \$75.00 for one course and \$50 for an additional course. Tuition must be paid in full at the time of registration or the student will not be enrolled in the class. Students may take a maximum of 2 courses. Because the Summer School session is condensed, the attendance policy differs from Roosevelt High School's regular school year's attendance policy and will be strictly enforced. Students will lose credit on their third absence. No tuition refund.

Students may work at home as well (beyond the scheduled school day), on their own computer with internet access, in order to successfully finish all their summer school courses requirements. Once a student has successfully completed their summer school course requirements, they do not need to attend on campus during the scheduled school day(s).

One-half (0.5) credit will be awarded for each successfully completed Summer School course. The course will be reflected on a student's transcript. Credits and grades earned during Summer School will be applied toward the number of credits needed for graduation as well as the student's overall GPA.

**Summer school registration must be completed through the RHS Counseling Office. Deadline for registration is May 22<sup>nd</sup>. Thank you!**

### **Safe Summer for Teens**

Summer break gives your high schooler a chance to unwind. But it also means unsupervised time, whether he or she is out with friends or at home alone. Put a plan in place now to help keep him or her safe.

- Discuss rules for different situations. Decide who is allowed over when you are not home. What circumstances do you want them to contact you? Also, leave emergency contact numbers.

- Fill time with healthy activities. Include routines for work, exercise, chores, etc.. With leftover time, they could explore a hobby or tackle a project.
- Review online safety. Be sure to keep social media pages private and not give out personal information. Do not agree to meet in person with anyone you've met online.

### **Starting the Job Hunt**

Share these tips with your teenager as they begin the job search for the summer:

- **Think about what fits.** Consider how many hours your child is available and which locations he or she can get to by walking or driving. Also, what jobs relate to their interests?
- **Create a resume.** Having a resume will set them apart from others. This also makes them look professional and interested. It is also a good reference when filling out an application.
- **Reach out.** Encourage your teen to talk to teachers, relatives, and friends' parents. Perhaps someone knows a business owner who needs summer help.

### **Worth Quoting**

### **A CAMPAIGN OF COMMUNITY SPIRIT BY THE A-TEAM AT RHS**

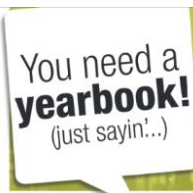

The A-TEAM at Roosevelt High School believes that they can make a difference in the lives of young students at RHS and within their own community. The A-TEAM is comprised of a select group of juniors and seniors who take an active part in providing academic tutoring support for students at Roosevelt High School. These veteran students at RHS hold high the idea that even a small amount of positive influence can go a long way in making an undeniable difference in the culture and success of RHS. The A-TEAM is already feeling the positive effects in the seventh year of their existence as evidenced by a green performance rating by the Department of Education and an increased graduation rate!

The A-TEAM is looking to spread the positive sense of community they have developed within the walls of RHS to the rest of Johnstown and Milliken. They are continuing their community campaign called R's on Cars! Their goal is to get the Roosevelt "R" on the back window of every vehicle in Johnstown and Milliken so that no matter where that vehicle travels, the "R" will proudly indicate where home is. Join the A-TEAM's campaign to unite our community and purchase an "R" for YOUR Car! R's will be sold for \$5.00 each and will be sold at the front office of RHS, and at home athletic events and concerts. All proceeds from the sale of R's will go to support scholarships at RHS and the A-TEAM organization.

**The A-TEAM at RHS Challenges YOU to Show Your Community Spirit!**
